

U.N. Command Warns North Korea

REPORTER'S REFLECTIONS — A look has been made into how much change of major occupations in Illinois can be expected during the 1960s.

The projection shows that there will be changes similar as experienced during the 1950s, except some will be greater than the last decade.

One striking change predicted is the increase of employed women. Services occupations are expected to increase 42 per cent of female employees, followed by professional careers with 40 per cent and clerical with 36 per cent.

The greatest increase seems to reflect an anticipated number of services rendered which will be dominated by women.

The boost in number of women expected in professional careers is an indication that the onward push of the distaff side into provinces formerly held exclusively by males will continue. In fact, it portends the trend with increase in tempo.

Clerical, the least of the major three increases, prediction for women employees is a field where they have long had a majority of those employed and would seem to suggest more clerical work to be done.

Women have been entering the labor force in increasing number for some years. Between 1940 and 1960 the number of females gainfully employed in Illinois went up 58 per cent.

This is below the national average which was increased during the 20 year period of 74 per cent. Another change noted in the employment of women has been the age of the worker.

In 1940, 27 per cent of working women were over 14 years of age. By 1960, the percentage had increased to 36. The change is greater for older women. In 1940, 61 per cent of women working were under 35 years of age. In 1960, only 37 per cent of the 1.3 million employed women in Illinois were under 35 years of age.

At the beginning of this decade, about 46 per cent of Illinois working women were between the ages of 35 and 54 and 17 per cent were more than 55 years of age.

Six industry groups account for 80 per cent of employed women in Illinois. They are: manufacturing, 25 per cent; retail trade, 19 per cent; service 17 per cent; education, 9 per cent, and hospitals, 6 per cent.

One drastic change, not relation to female employees, is a predicted decrease of farmers and farm laborers of 30 per cent between 1960 and 1970.

Rusk, Lord Home Fly To Moscow Today

MOSCOW (AP) — U. S. Secretary of State Dean Rusk and British Foreign Secretary Lord Home fly to Moscow today for historic nuclear test ban signing ceremonies and vital exploratory talks with Soviet Premier Khrushchev.

The foreign policy chiefs were accompanied by parties of top advisers and specialists in East-West relations. Rusk's party also includes a bipartisan delegation of top Senate leaders.

Among the array of international figures expected for the signing ceremonies Monday afternoon will be U.N. Secretary-General U Thant. He has been invited to fly to Moscow to witness the signing.

The ceremonies in the Grand Kremlin Palace will be broadcast over a Soviet-bloc television hookup and to Western Europe. They will be followed by a lavish reception in the Kremlin at which Khrushchev is expected to preside.

Rusk and Home are expected to meet with Khrushchev for talks on future steps in relaxing coldwar tensions after the signing.

Rusk, as the first American secretary of state to visit Moscow since the late George C. Marshall was here in 1947, has been invited to stay on for a few days as Soviet Foreign Minister Andrei A. Gromyko's guest.

Khrushchev was reported to be planning to invite Rusk and his wife to visit the premier's Black Sea vacation home. But the U. S. Embassy said it knew nothing of such a plan and that it tentatively had scheduled a sightseeing trip to Leningrad for Wednesday.

Delegation of 12 on Flight

WASHINGTON (AP) — Secretary of State Dean Rusk winged toward Moscow today to sign a nuclear test-ban treaty and to try to learn if "it will prove to be the first of a series of steps leading toward peace."

Before leading a 12-man American delegation aboard the Russia-bound military jet airliner Friday night, Rusk told newsmen at Andrews Air Force Base, Md.: "This treaty is an important one. We hope it will prove to be the first of a series of steps leading toward peace. But that we cannot tell for certain. There's much unfinished business ahead of us. Perhaps during this visit we shall find out. We hope so."

Rusk expects to find out in talks with Premier Khrushchev and other Soviet officials after the ceremonial signing of the treaty Monday.

While the test-ban negotiations were still under way in Moscow, Khrushchev proposed other steps for easing East-West tensions.

Rusk hopes the Russians will spell out precisely what Khrushchev had in mind in his suggestions for a non-aggression pact, stationing of inspectors on each side of the Iron Curtain to prevent a sneak attack, freezing

or reducing military budgets, and reducing forces in Germany.

Accompanying Rusk to the treaty ceremony were half a dozen senators—four Democrats and two Republicans. Rusk noted it will be up to the Senate to ratify the American, British and Soviet agreement to ban all nuclear tests except those underground.

Democratic supporters of the treaty Friday voiced their belief that the forthcoming Senate hearings will clear away most Republican doubts about the wisdom of ratifying it.

After a meeting of Senate and House Republicans, GOP leaders said the treaty would be in the interest of all Americans only if it can be had without endangering our safety or security.

Earth Tremor Rocks Parts Of Illinois

METROPOLIS, Ill. (AP) — The third appreciable earth tremor in a year and a half to shake the lower Ohio Valley caused what was termed a brief quiver in Southern Illinois Friday night.

There were no damage reports, and authorities in communities along the Ohio River said the tremor produced more curiosity than fright.

The tremor apparently centered in western Kentucky. It was felt up to 15 miles north of the Ohio.

Windows were rattled in Metropolis, and the shaking was felt in Cairo. Similar tremors shook the region March 3 and Feb. 2, 1962.

Authorities in Metropolis said persons flocked from homes and buildings after hearing a rumble similar to thunder approaching from the south about 7:38 p.m. CDT.

But a subsequent shaking ended by the time spectators reached streets and yards, police said.

News media in Paducah, Ky., across the Ohio from Metropolis, said they received numerous telephone calls from curious persons. Authorities in most Illinois communities, however, said they received no calls.

Curb Your 'Bloodthirsty Marauders'

PANMUNJOM, Korea (AP) — Amid reports of new fighting on the uneasy Korea truce line, the U. N. Command warned today that Communist North Korea must curb its "bloodthirsty marauders" immediately or it will invite its own destruction.

Maj. Gen. George H. Cloud, senior delegate from the U. N. Command on the armistice commission, charged the North Koreans with deliberate, malicious assaults in U.N.-controlled territory which have killed three Americans and wounded a fourth since July 29.

North Korea brushed aside the charges as "fabrications" in one of the hottest exchanges in 10 years of armistice commission meetings.

Earlier Cloud said Communist troops had intruded into the U. N. Command portion of the demilitarized zone at 4:30 a.m. today and fresh firing had broken out between American and Communist troops.

Cloud said the clash had taken place about 500 yards south of the military demarcation line running through the center of the demilitarized zone. He did not elaborate and mentioned no casualties.

An American officer told newsmen outside the armistice meeting that he had thrown eight hand grenades in the latest reported clash. He said an American patrol had been flanked in the fighting and forced to withdraw.

No major casualties were reported on either side. An American soldier was treated for a shrapnel splinter in one hand, but it was believed possible it came from a U. S. grenade.

Cloud, a Marine, said 50 Soviet-made cartridge cases had been found at the scene along with an unexploded Soviet-type grenade. Two hand grenades exploded, he said.

The U. N. side called the armistice commission meeting to accuse the Communists of a series of provocations that began July 29 when a U. N. jeep was ambushed in U. N. territory. Two Americans were killed and a third wounded.

The next day a fourth American soldier and a South Korean policeman were killed in a clash directly south of the first ambush. Four North Korean soldiers were slain in this encounter.

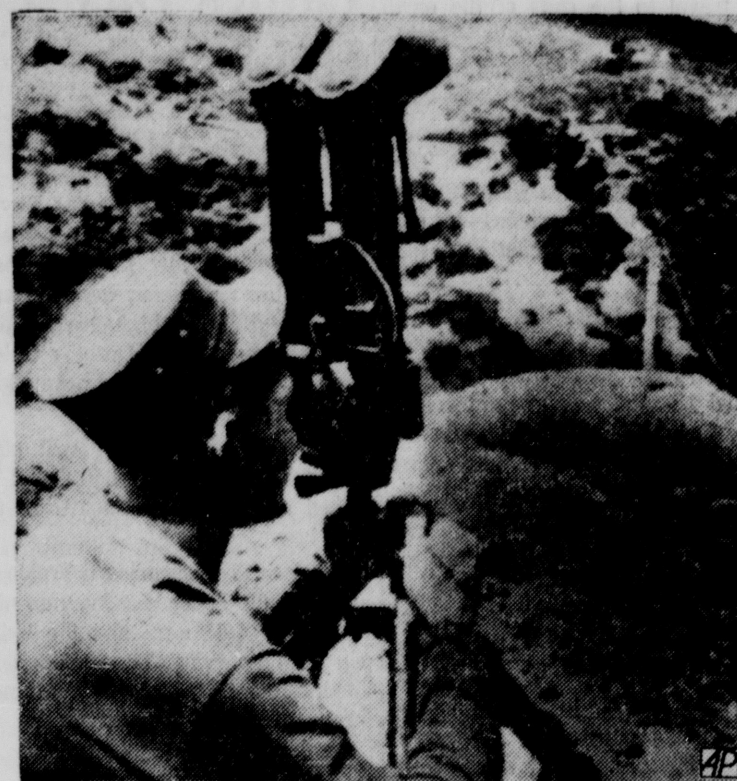

Cloud called the incidents a Communist "route of terror and bloodshed."

Matched Set?

There is apparently a Volkswagen auto owner in the Dixon area who needed two front seats for his German-made compact car, and there are now two other Volkswagen owners in Dixon, each missing a front seat from their autos.

Friday morning, Dixon Police investigated the theft of a right front bucket-seat from the foreign auto of Mrs. James Twitty, 320 N. Court St.

Later the same day, the Rev. David Allen, 321 Fifth St., assistant pastor of St. Paul's Lutheran Church, reported the left front bucket seat had been stolen from his Volkswagen.

Three Are Arrested In Breakins

The arrest of three youths by Lee and DeKalb County officials apparently has solved between seven and 11 breakins and robberies in a four county area, according to Lee County Chief Deputy Sheriff Jack E. Van Meter, today.

The chief deputy said Eugene Jones, 19, Paw Paw, is in the Lee County jail charged with the June 22 burglary of the H. A. Knetsch cabin, north of Paw Paw.

Van Meter said Jones, Ronald Hoelzer, 19, and a 14-year-old youth also have admitted participating in seven incidents and may be responsible for four more in Ogle, DeKalb, LaSalle and Lee Counties.

Hoelzer and the 14-year-old are in DeKalb County Jail at Sycamore, charged with the theft of \$250 worth of tools from a farmer's field July 22.

Van Meter said Paw Paw Police Chief Earl Kieser played an important part in the investigation of the breakins.

Kennedy Visits Cape Cod

HYANNIS PORT, Mass. (AP) — President Kennedy settled today into a summertime swing of golf and water sports at picturesque Cape Cod.

He didn't wait long to get started on a few holes of golf after flying up from Washington Friday, even though a heavy rainstorm had just swept the area.

Hurricane Arlene Whips Atlantic

MIAMI, Fla. (AP) — Hurricane Arlene, the first of the season, whipped the tropical Atlantic with winds of 100 miles an hour today, but caused little damage.

She was 925 miles east-southeast of San Juan, P.R., a safe distance from densely inhabited islands and heavily traveled shipping lanes.

One small craft reported itself in trouble north of Puerto Rico, but at last check she was being escorted to port by a Coast Guard vessel.

At dawn, the Weather Bureau said Arlene was moving west-northwest at 12 m.p.h.

Winds up to 100 miles per hour whirled around a small area near the center and gale force winds extended 175 miles in the northern semicircle and 75 miles in the southern semicircle.

"Little change in size or intensity of the storm is expected during the next 12 to 24 hours," the Weather Bureau said.

Hurricane hunter planes flew into the vortex of the storm from Puerto Rico and continued observations at close range throughout the night.

The storm was days away from the United States and forecasters said it was too early to speculate on whether it would ever strike land.

The hurricane grew out of a suspicious area in the central Atlantic which the Tires weather satellite spotted Wednesday.

When a plane piloted by Lt. Peter J. Gross of Pocahontas, Iowa, flew into the area early Friday, he found winds up to 100 miles per hour, 25 more than the minimum for a hurricane.

Ward Sinks Deeper Into Coma Today

LONDON (AP) — A medical bulletin said today Dr. Stephen Ward's life appeared to be ebbing away.

"There is increasing difficulty in keeping him alive," said a spokesman for St. Stephen's Hospital, where Ward was rushed, unconscious, Wednesday morning from a massive drug overdose followed by pneumonia.

W. Mayne Butcher, hospital secretary, told reporters at a forenoon news conference:

"The doctor in charge just said from Ward's bedside that hope is somewhat fading."

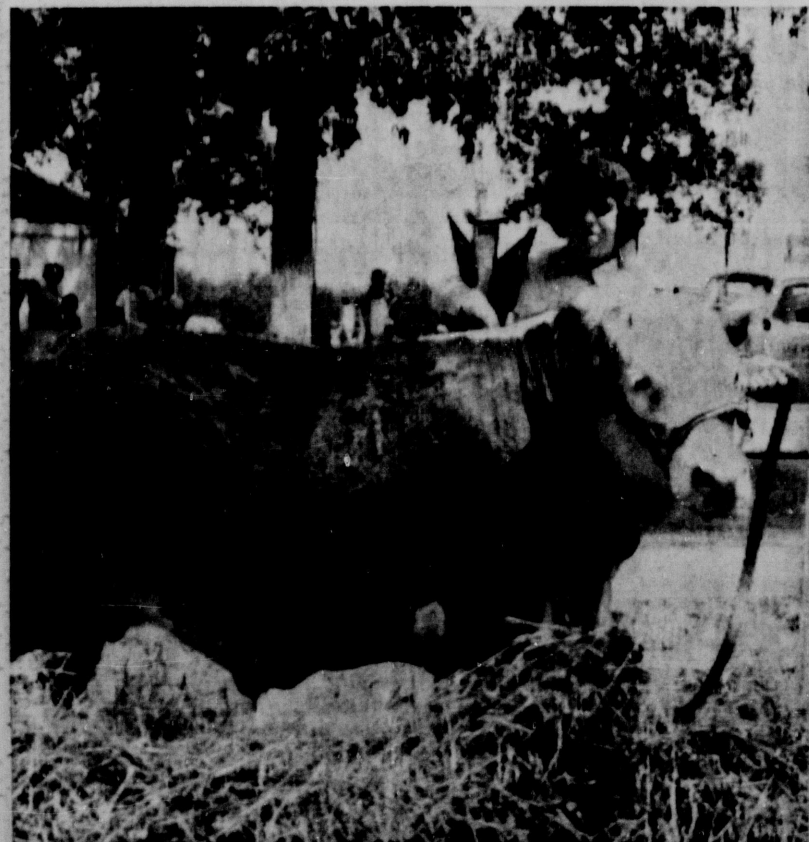

The 50-year-old playboy-osteopath was rushed to the hospital a few hours before he was due at Old Bailey Court for the final day of his trial on five vice charges.

He still is unaware that he was found guilty and faces up to 14 years in prison on two counts of living on the earnings of playgirls Christine Keeler, 21, and Marilyn (Mandy) Rice-Davies, 18.

A prison warden watched over Ward in the room on the top floor of St. Stephen's Hospital.

Technically, Ward has been in custody since the trial judge can-

More keep cool tips: Fluff on bath powder all over after a lazy relaxing bath. And when departing for hot places unknown, fluff powder inside your bra and girdle.

Suntans are certainly pretty things to have, but be careful with the make-up colors you choose to wear with them. If your tan is a deep luscious brown, don't use a foundation with pink or rose in it, as it will cause that awful leathery look. Pick instead a golden tan base to neutralize any redness, and powder to match. Best is deep blue eyeshadow (stay away from yellow-greens) and coral lipstick (no dark or blue reds).

For the in-between-tan color, follow same make-up principles above on a lighter basis. Powder and base neutral, with no pink or yellow tone to it. Maybe a touch of rouge, from the orange family. One of the lighter green eyeshadows and an amber red lipstick complete your pretty picture.

Remember, in all cases, your eyebrows and lashes will lighten if you're out in the sun a lot, and may need more darkening in summer than other times of the year.

Summer weather means lots of cool drinks — which can leave water spots on tables and furniture. Apply heat and moisture to spot by placing warm iron over damp blotter. Repeat brief applications 'til spot disappears.

If you're running out of appetizing summer side dishes, try a new one—stuffed head lettuce. Just take a tight head of iceberg lettuce and core out inside leaves, leaving 1/2 inch of the head all the way around. Pack stuffing in firmly. Cut head in large slices to serve.

For your stuffing, combine 8 oz. pkg. cream cheese with 1/4 c. mayonnaise. Stir in 1/2 c. each grated carrots and radishes and 1/4 c. snipped chives. Or combine cream cheese with 1 tsp. lemon juice 'til smooth; add 2 cans pineapple cut in 1/2-inch pieces, half an apple cut in thin slices, and 1/2 c. chopped walnuts. Or you can always whip up a stuffing of your own!

Nelson Notes

Solar Eclipse Adds Many Facts To Knowledge

By ALTON BLAKESLEE
Associated Press Science Writer

NEW YORK (AP) — Once in a while the moon sails through space in just the right path to make the sun blink. When it momentarily blots out the sun in a total eclipse, astronomers will travel to the ends of the earth to watch.

Eclipses have revealed many facts they might never otherwise have learned because the sun ordinarily is such a blinding light. The eclipse of July 20—partially visible to millions of Americans—is expected to add significantly to the lore.

From past eclipses, Dr. Thomas D. Nicholson of the Hayden Planetarium in New York points out, scientists learned the sun has an atmosphere or corona millions of degrees hot, reaching millions of miles into space.

Eclipse studies showed there was helium on the sun, before that chemical element was identified on the earth. Now it is known that the sun burns by fusing hydrogen atoms into helium.

When the moon was centered on the sun, scientists for the first time saw solar prominences, the great licking tongues of gases loosed from explosive reactions on the sun.

In his theory of relativity, Albert Einstein predicted the gravitational field of such a massive body as the sun would bend or deflect light rays. During eclipses, astronomers confirmed this—light from stars visible in the "night" sky of the eclipse was deflected in about the degree predicted, compared with light from the same stars when the sun was not in that portion of the heavens.

This last eclipse probably was put under more intensive scientific study than any before, with some new techniques employed and—as usual—numerous scientific teams seeing their planning frustrated by rain or clouds.

Scientists are analyzing findings obtained with cameras, rockets and radio beams, spectrographs and other instruments. They hope for better understanding of the structure of the corona, its relationships to activity of the sun, of magnetic fields and storms on the sun, of changes in the ionosphere, the upper electrified layers of the earth's atmosphere.

They may win clues to the prediction of solar flares — which pour out

great bursts of radiation that could be dangerous for space travelers—or possibly insights into subtle triggering actions in solar activity upon the earth's weather and climate.

Curriculum Changes Are Announced

LEE CENTER — M. E. Gahan, superintendent of the schools in Paw Paw, Lee Center, and Franklin Grove, reports further changes in the curriculum for the 1963-64 school year.

French will be taught in the high schools of Paw Paw and Franklin Grove. New texts have been purchased and accompanying tapes will be used in the language labs. The labs will help the students to progress more rapidly and will make it possible for individual students to hear themselves speak the language. Both French teachers have been prepared for the use of these labs.

The industrial arts department in each high school this year will have added a metals course to the curriculum. Last year electricity was added in addition to the already existing units of drawing and wood-working. The first year will consist of a survey of all four areas. The second year will consist of drawing and woodworking. The third year will be electricity and metal-working and the fourth year will consist of individual projects in the area most desired by the students. Lathes, shapers, and a box and pan brake have been ordered for the metals course.

Next year there will be much more emphasis upon the use of various office machines by the commercial students in both high schools. A company in Dixon is cooperating with our typing department to furnish a number of machines for our students to be taught to operate in conjunction with their commercial subjects.

To put more emphasis upon physical education, a girls' physical education instructor for the District has been added to the faculty.

OREGON — The following Telegraph area men were recently inducted into the Army, according to the Ogle County Selective Service Board: Ronald R. Sassaman, Rochelle, and Charles W. Buntjer, Polo. Four men will be called Aug. 29 and on that date 10 men will be presented for preinduction physical examinations.

NO USE OVERDOING

LOUISVILLE, Ky. (P)—After retiring three times, Robert Howell figures it's about time to settle back and enjoy his friends, leisure and travel. He celebrated his 100th birthday in June. Howell worked most of his life at the Standard Oil refinery here. After retirement, he took a job in a restaurant at the age of 80. In due time, he accepted a job as a delivery man — at 92. "I've had enough," he explained. "Too much work isn't good for anyone."

YMCA News Notes

The last Dixon YMCA bus trip of the summer will be Tuesday. The bus will be leaving the "Y" at 8:30 a.m. to visit O'Hare Field. Following lunch the "Y" group will enjoy a two hour boat cruise on the Chicago River and Lake Michigan; then back to the bus to visit Navy Pier to watch the foreign ships load or unload their cargo. Present plans are to return to Dixon by 6 p.m.

Boys and girls ages 9 to 17 and family groups are welcome to attend. YMCA membership is not required, but reservations must be made in advance by calling the YMCA Office.

Thursday will be the last day for the YMCA sponsored program at Lowell Park for 7 to 9 year old boys and girls.

Craft Director, Mrs. Dorothy Wells, says the craft project Thursday will be the assembling of balsam wood gliders. This will be followed by flying and stunting contests.

Other craft projects this summer has included the making of piddle jumpers out of tin cans followed by piddle jumper races; bean bags filled with corn instead of beans, pocket comb cases, trinket boxes, pencil holders, and Astrocaps.

In addition to the handicraft program the hours from 9 a.m. to 3 p.m. are usually spent in hiking, playing softball and other games. There is always a story time and songs following the picnic lunch.

The Dix River Dam near Danville, Ky., is said to be the largest rock-filled dam in the world. It is 275 feet high.

Group Here Will Back Goldwater

The Goldwater for President Committee of Lee County was formed recently and has announced its purpose to promote the nomination of Sen. Barry Goldwater as Republican nominee for President.

A committee spokesman said a solicitation of funds to be used for the senator's campaign, if he is nominated, will be made.

The funds, according to the committee, will be deposited in a local financial institution and will be returned to the donors with interest if Goldwater does not win the nomination.

Committee chairman, Seth Foster, Franklin Grove, said the committee results from a grassroots sentiment for the senator. He said he has found considerable in Goldwater's candidacy among county people with whom he has talked.

The committee chairman said the local groups would, in the near future, affiliate with a national committee working for the nomination of Sen. Goldwater.

In addition to Foster, officers of the committee are: Robert Nowe, Amboy, vice chairman, and Robert Boss, 315 Crawford Ave., secretary-treasurer.

Other committee members include: Dr. W. A. McNichols Sr., 916 E. Fellows St.; Dr. W. A. McNichols Jr., 915 N. Jefferson Ave.; Irvin Arne, Steward; Don Winkle, Ashton; William Harris, Franklin Grove; Wallace Clover, Ashton; Bernard Sexton, 410 N. Ottawa Ave., and Ruth Shaw, Amboy.

Foster said the committee will seek donations of any amount.

He said incidental expenses of running the committee's program will be met by committee members.

Four Car Accidents Reported

State Police today reported four car accidents Friday and early today in the Telegraph area.

HARMON—A two-car accident occurred at 10:40 a.m. Friday one mile west of the Harmon spur and one half mile south of Rt. 30.

A car driven by James E. Starnes, 55, Dixon, was northbound on the gravel road when a car driven by Eugene F. O'Brien, 17, coming out of a private drive, drove into the path of the Starnes car, State Police said.

O'Brien was arrested for failure to yield the right of way.

Damages to the Starnes vehicle was estimated at \$150 and at \$75 to the O'Brien car.

SCARBORO—A car pulling a trailer was involved in an accident at 5:55 p.m. Friday on Rt. 30 three miles east of Rt. 51, when it attempted to pass a semitrailer truck.

A westbound car driven by Lawrence F. Mitchell, 26, Chicago, was pulling a trailer and as it attempted to pass the semi, it was forced off the right side of the road by oncoming traffic, State Police said.

Mitchell was arrested for improper passing.

Damages were estimated at \$100 to the car and at \$250 to the trailer.

CHANA—A two-car accident occurred at 8 p.m. Friday on the Chana blacktop, one mile north of the Flag Center blacktop.

A car driven by James L. Bolen, 27, Ashton, was preparing to make a left turn when a car driven by Arthur J. Schabacker Jr., 18, Rt. 1, Ashton, attempted to pass the Bolen vehicle on the right side and struck the right front fender of the car, according to State Police.

Bolen was arrested for improper left turn and Schabacker was arrested for improper passing.

Damage to each of the cars was estimated at \$100.

FLAGG CENTER—A one-car accident occurred on the Flagg Center blacktop four miles west of Rt. 51, at 11:30 p.m. Friday.

A car driven by James Blase, 20, Oregon, westbound, went out of control as it was passing another car, slid sideways, and rolled over four times, State Police said.

Blase, treated and released from Warmolts Clinic, Oregon, was arrested for reckless driving, possessing liquor with a broken seal, and possessing liquor as a minor.

Damage to the car was estimated at \$1,200.

FLAGG CENTER—A second one-car accident occurred at 12:10 a.m. today as a result of the previous accident.

A car driven by Alfred G. Ramsey, 16, Rt. 2, Rochelle, was eastbound on the blacktop when it came upon the overturned car from the previous accident, and when the driver applied the brakes, the car swerved to the right, sideswiping the overturned car, State Police said.

A passenger in the car, Gloria J. Clapper, 15, Oregon, was treated at Warmolts Clinic, Oregon.

Damage to the car was estimated at \$100.

Ramsey was arrested for driving too fast for conditions.

Open Lincoln Heritage Trail at New Salem

SPRINGFIELD, Ill. (P)—The official opening of the Illinois section of the Lincoln Heritage Trail will be celebrated tonight at New Salem State Park.

Talks by Gov. Otto Kerner of Illinois and Gov. Matthew E. Welsh of Indiana plus a reenactment of the historic wrestling match in which young Abe Lincoln whipped a local bully will highlight the evening.

The "trail" in a 993-mile highway route tracing the migration of the Thomas Lincoln family from Hodgenville, Ky., to Indiana and Illinois. It is marked by black and gold medallions showing a young, beardless Lincoln.

Major points include the Lincoln Home and tomb in Springfield; the Vandalia, Ill., State House; the statue of young Lincoln in New Salem State Park; the Lincoln log cabin in a state park south of Charleston, Ill.; the grave of Lincoln's first sweetheart, Ann Rutledge, in Oakland cemetery, Petersburg, Ill.; site of one of the famous Lincoln-Douglas debates in Jonesboro, Ill.; and Hodgenville, Ky., where Lincoln was born.

Kerner proposed development of the trail in 1962 and said he expects

it will draw 2.5 million visitors to Illinois in 1963.

"In Illinois today," Kerner said, "425,000 jobs are directly due to tourist income. If our people and resources are used to fullest capacity, this figure can be more than doubled by 1973."

WGN Film About DSS Available

"Friday's Children," a documentary film on the Dixon State School and mental retardation, now is available through the institution for showings to clubs and civic organizations.

Television Station WGN, Chicago, which produced the one-hour film, has sent the school a print.

School Superintendent David Edelson said WGN experienced some delay in getting the prints made, and as a result the school had to cancel some showings requested by area groups. He said the school now can honor all new requests.

Showings can be scheduled by letter or telephone, Edelson said.

Staff members from the school will give brief talks or answer questions in conjunction with the film.

The film — which portrays the school's overcrowding, its lack of staff and facilities and some of its new training programs — has been shown on eleven Illinois television stations.

CHICAGO (P)—At least 49 persons, including 22 juveniles, were arrested Friday night as racial tension continued for the fifth successive evening on Chicago's South Side.

One policeman was slightly injured by a bottle thrown from a crowd which has been protesting the presence of three Negro families in a previously all-white area.

CHICAGO (P)—The death of a woman accused of kidnapping a baby from her home in Metropolis, Ill., was suicide, a coroner's jury ruled Friday.

The jury found that Mrs. Mary Anne Dunlap, 34, of Chicago, shot herself with a .25-caliber pistol in a Southwest Side motel July 25.

JOLIET, Ill. (P)—FBI agents have seized 100 slot machines from a Joliet warehouse where Justice Department officials said they had been stored because of recent law enforcement pressure against gambling.

Marlin W. Johnson, special agent in charge of the FBI in Chicago, said the machines were taken Friday from a warehouse owned by the Al Cohn Iron and Metal Co. He estimated their value at \$50,000.

Miss Heckman Repeats Vows With Mr. Grobe

MR. AND MRS. JAMES GROBE

POLO—A floor length gown of imported chantilly lace was selected by Miss Janet Heckman, daughter of the Henry Heckmans, rural Polo, for her July 7 wedding in St. Mark's Lutheran Church to James Grobe, son of Mr. and Mrs. Henry Grobe, Woosung.

The Rev. Allan E. Juenger, pastor of the church, officiated as the couple exchanged vows before an altar trimmed with arrangements of white chrysanthemums and daisies. Music for the afternoon single-ring ceremony was offered by Miss Doris Plautz, organist, and Miss Jeanne Williams, vocalist. Their selections included "O Perfect Love" and "Wedding Prayer."

Bride's Attire

The bride, given in marriage by her father, carried a bouquet of pink roses, stephanotis and ivy atop a white Bible, and her shoulder length veil cascaded from a bandeau of pearl embroidered petals. Tiers of organza ruffles under an overskirt of lace formed the bouffant skirt of her wedding gown which ended in a chapel train, and a Sabrina neckline and tapered sleeves were features of the gown's fitted bodice.

Miss Laurel Brown, Polo, the bride's maid of honor, and Miss Diane Heckman, Polo, and Miss Marilyn Antoine, Dixon, bridesmaids, were attired in identical sheath dresses of pink linen fashioned with overskirts of pink net. Pink and white roses were used in the colonial bouquets they carried, and they wore matching pink bandeaus with attached veiling.

Mrs. Heckman wore a beige embroidered frock trimmed with satin bows and accented by pink accessories, and a navy blue satin dress styled with a chiffon overskirt and lace jacket was worn with white accessories by the bridegroom's mother. Both wore shoulder corsages of pink roses and white carnations.

Wedding guests were ushered by Claude Ortgiesen, Dixon, and Charles Hufford, Rockford, and Stanley El-sasser, Mount Morris, attended Mr. Grobe as best man. Acting as groomsmen were Roger Hoyle and Rodney Grobe, Dixon.

A three-tiered cake and bouquets of pink roses and white carnations trimmed the table arranged for a reception held in the church parlor following the service and attended by guests from Polo, Dixon, Rockford, Rochelle, Mount Morris, Grand Detour, Franklin Grove, Oregon and Forreston who were registered by Miss Ruth Ann Grobe.

Mrs. Charles Hufford, Mrs. Carl Jacobs and Mrs. Wayne Baker, cousins of the bride, served cake, punch and coffee, and presiding at the gift table were Miss Lorraine Heckman and Miss Joanne Smith. Miss Lois Grobe served as reception hostess.

Live in Dixon

A blue sheath dress was worn with matching accessories by the new bride when the couple left after the reception on their wedding trip. A 1962 graduate of Polo Community High School, she attended the Sterling School of Beauty Culture. Mr. Grobe attended the Polo school and Dixon High School and is currently employed by Zeien Motor Company in Dixon where they are residing.

Jay-C-ettes Will Sponsor Contest

Dixon children between the ages of one to four will be competing for awards in a baby contest to be sponsored by the Jay-C-ettes at 7 p.m. Aug. 24 in the Dixon High School auditorium.

All boys and girls within the age limits and residing in the Dixon school district are eligible to enter the contest except children of Jay-Cee members. Contestants must also be able to walk and will appear on the stage attired in pajamas.

Mrs. Harry Wiennman will act as mistress of ceremonies for the event, and winners will be selected on the basis of personality, appearance and poise by presidents of five JayCee and Jay-Cette organizations in area communities who will serve as contest judges.

The show will also include special entertainment, and Mayor George Lindquist will present a \$25 savings bond to the boy and girl chosen as first place winners. Two boys and two girls selected as second and third place winner will receive \$10 gift certificates contributed by Dixon merchants and each child participating will be given a stuffed toy the night of the performance.

A \$1.00 entry fee will be charged each contestant, and a coupon appearing on page four of today's Telegraph may be used by parents to enter their child in the competition.

Entry forms may also be obtained from Jay-Cette members.

Proceeds from the baby contest will be added to the sponsoring organization's civic project fund.

Plum Hollow Golf Awards

Mrs. Gerald Emmert won the award for low gross in Thursday afternoon's golf for members of the Plum Hollow Women's Association and other prizes went to Mrs. William Steimle, low putts for nine holes; Mrs. Robert Lee, high score, and to Mrs. Wesley Leland for high putts.

In Wednesday's invitational play at Prophet Hills Club, Mrs. Carroll Yeast tied for low putts and also won the award for low gross among Plum Hollow players. Mrs. Leland was awarded the prize for low net, and the low putts award went to Mrs. Emmert.

Members will be Tuesday guests at Sunset Golf Club, Mount Morris, and

on Wednesday they will be entertained at the Dixon Country Club. Both hostess clubs have scheduled golf at 9 a.m. preceded by "coffee" at 8:30 a.m., and reservations for both events should be made by tonight.

Regular golf for members will be resumed at Plum Hollow on Thursday beginning at 1:30 p.m.

August Events At Country Club

Included in activities planned for members of the Dixon Country Club, is a Thursday dinner-bridge in the clubhouse, and another scheduled for Aug. 22.

Mr. and Mrs. C. Leonard Johnson will be in charge of both events and

have announced that on each date dinner will be served at 7 p.m. followed by bridge games at 8 p.m.

Anniversary Is Observed At Open House

The silver wedding anniversary of Mr. and Mrs. Clifford Schick was observed at an open house held Sunday afternoon in the Church of the Brethren fellowship hall when 175 friends and relatives of the honored couple were registered by their niece, Miss Juanita Hagen.

White bells and silver and white streamers trimmed the reception room, and centering the refreshment table was a white anniversary cake decorated with white roses centered with silver and topped by a bell bearing a silver anniversary emblem. A wreath of smilax surrounded the base of the cake, and a garland of smilax combined with silver bows encircled the table.

Cake, punch and coffee were served by Mrs. Lillie Hagen, Mrs. Robert Schick, Mrs. Glen Hagen and Mrs. Martin Waite assisted by Mrs. Howard Byer, Miss Marian Butterbaugh and Mrs. Merle Bowers.

Miss Cheryl Schick and Miss Shirley Hagen, nieces of the Schicks, presided at the gift table which held a centerpiece of pink and white gladioli in a silver-trimmed crystal bowl, and accepting gifts from the guests were Martin Waite and Miss Linda Schick, also a niece of the honorees.

For the occasion, Mrs. Schick was attired in a turquoise sheath dress accented by matching taffeta trim and a corsage of white gladioli.

The anniversary celebration was arranged by the Schick's children, Rex Edward, Loretta Jean and Beverly Louise, and guests attending were from Dixon, Polo, Oregon, Woosung and Dunellen, N. J.

BRITISH INFLUENCE

The British influence will appear in ascot blouses for fall inspired by hunting shirts and in widely collared and back yoked Oliver blouses. Rug-

by type shirts favor white pique cuffs and pointed collars. Interpreting these styles are cottons in typical small British prints, glen plaids and checks as well as wide striped cotton knits.

The newest blouse is the "dorm shirt." Cut like grandfather's night shirt, it features long cuffed sleeves, collar, a loop on the back yoke and tiny buttons from neck to hem. Almost knee length, this college fashion is perfect for lounging in the dorm.

Add a skirt and it's ready to go out. Classic cotton broadcloth stripes and prints are favored for this style.

FBI, Crime and Courts

We have grown so accustomed to annual increases in crime rates that it comes as a mild surprise to learn from the FBI that in 1962 murders showed a 2 per cent decline in number from the previous year.

There seems to be no profound explanation, other than the fact that police work in this field is extraordinarily good.

The FBI, in its annual report, says that over the nation the police cleared up 93 per cent of willful killings in 1962. These include both murder and so-called non-negligent manslaughter.

Unhappily, that does not indicate a 93 per cent rate of conviction. Of those cases disposed of by the courts last year, about half resulted in dismissal, acquittal or reduction of the charge.

Often it is complained that the courts themselves, through the action of either judges or jury, are guilty of incredible softness toward the perpetrators of crime—serious and minor.

The FBI makes no such complaint, whatever it may feel on this score. As a matter of fact, intelligent studies of court performance are sadly lacking. Judge and jury act from a wide variety of motives, only one of which is an inclination to "take it easy" on the defendant.

The FBI does note that other factors, too, help explain why a big disparity may exist between the number of arrests and the number of convictions.

Sometimes the police discover they were wrong, and there is no formal charge. When young persons are involved, special local or state laws may dictate leniency. Sometimes, despite police "clearance" of a case, the evidence proves insufficient for an indictment. And, though this could hardly apply in a murder case, the victim of a crime often refuses to co-operate in prosecution of the alleged offender.

So it is not a simple matter of the police doing a great job in some fields and the courts not doing so.

Nevertheless, it is most interesting to note that only half of the "willful killing" cases which reach the courts result in conviction on the original charges of murder or non-negligent manslaughter.

The FBI points out that not only in the matter of killing but in other crimes against the person such as rape and aggravated assault, dismissal, acquittal or charge reduction is more common than for crimes against property.

This seems to indicate a considerable reluctance on the part of the courts to act harshly or too swiftly in areas where the penalties may be severe—even unto capital punishment.

The tendency exists in some quarters to depict the courts as agencies of brutal retribution—eager to speed defendants toward death or a life term. The figures do not support them. Obviously much murder and mayhem is never penalized at all.

Switch Required

Only occasion when death of a vice president, after his nomination for a second term, necessitated selection of another candidate before the November elections was the death of James S. Sherman, vice president under William Taft. Sherman died on Oct. 30, 1912, and Nicholas Murray Butler was thereupon selected as Taft's running mate in the November elections.

Things Dixon Talked About

(From the files of The Dixon Evening Telegraph)

10 YEARS AGO

The Dixon Lion's club today was all set to welcome a former Dixonite and "take him out on the town" he hasn't visited in 60 years. H. B. Darling, 76, 1424 E. 68th street, Chicago, who claims that his boyhood days in Dixon "were the happiest of my life," will be flown here Tuesday morning, arriving in time to be guest of honor at the Lion's club weekly luncheon.

The theme around the luncheon will be "the old days," according to club president, Paul Johns. Following the luncheon, Darling will be escorted in a convertible to the spots he has requested to see. Following the auto tour, Darling will board Frank Viliger's launch, "Miss Illinois," for a tour of Rock River and Lowell Park.

Lion club members will be his host at a dinner in the Nachusa House where "old timers" who once knew him, are asked to gather for an after dinner session of reminiscing. He will be the guest of the Evening Telegraph at the new Nachusa House Motel and depart for his Chicago home Wednesday morning.

25 YEARS AGO

Only 27 citizens of Dixon voted at the special election held yesterday to authorize the board of education to proceed with the sale of the E. C. Smith school building. There was not a single ballot cast in opposition of the proposal.

While returning to Dixon from Rockford at an early hour this morning Frank Daschbach Jr., and Hilbert Thompson had an unusual experience when an owl flew into the open window of their car, struck the former, who was driving, on the cheek and then struck Thompson, who was in the rear seat. The impact killed the bird, which fell dead at Thompson's feet.

Robert Whiting and Darrell Coakley, Boy Scouts, have returned to their homes after spending a week at the Palisades near Savanna.

40 YEARS AGO

From the highest dome in the land, the Stars and Stripes at the top of the state capitol fluttered today at half mast betokening the shadow of gloom and sorrow that has been cast over our entire commonwealth by the sudden and shocking death of President Harding in San Francisco last night.

The President's body is to pass through Dixon. The train carrying President Harding's body to Washington will arrive in Chicago on Monday, after a 72 hour run from San Francisco which begins tonight at 7 o'clock. From Omaha to Chicago the route will be over the Chicago & Northwestern Ry.

In the little living room of his father's home in Plymouth, Vt., Calvin Coolidge early today took the oath of office as President of the United States. The oath was administered by his father, John C. Coolidge, at 2:47 a.m., eastern standard time.

McHenry Co. Circuit Clerk Is Resigning

WOODSTOCK, Ill. (U.P.) — After 41 years as an official of Woodstock and McHenry County, Circuit Clerk Lester (Doc) Edinger is resigning.

Edinger, 69, who has been an official of McHenry County continuously since 1930, announced Thursday that he is retiring because of age, health and other pressing duties.

Since 1930, Edinger, a Republican, has served as sheriff for three terms and treasurer one term. Before taking county office, he was chief of police of Woodstock from 1922 to 1930. He was elected sheriff at age 28.

Miss Margaret O'Neill of Harvard will take over Edinger's duties until the next election. She has been chief deputy clerk since 1938.

Dear Ann:

By ANN LANDERS

Dear Ann: Our daughter is 35 years old, happily married, with four bright children. She has a beautiful home, and everything to live for.

Both her husband, her father and I are worried to death about her excessive smoking. She has been a heavy smoker since she was a teenager. Although she knew I never approved, she continued to smoke through the years.

Several months ago she was spitting up blood. She quit smoking and went to the doctor. When the X-rays showed no sign of cancer she went back to smoking two packs a day although the doctor advised her against it.

I'm so afraid she will develop cancer that it's making a nervous wreck out of me. She says she has smoked so long now that if she's going to get cancer she will get it. Period. What can I say to this head-strong girl? — WORRIED MOTHER

Dear Mother: Probably nothing. Anyone who can read or hear knows by now that there is a definite link between lung cancer and cigarettes. Scientific research continues to churn up more and more damning evidence.

Not everyone who smokes will get lung cancer, obviously, and your daughter may escape it. But worrying has been known to bury people prematurely, so try to get your mind off her smoking and on something else.

Dear Ann Landers. That letter describing the prom committee system which insures all girls a date to the Junior-Senior Prom was the greatest. I'm going to take it up with our student council in September.

I happen to be a girl who never was short of dates, but I know some awfully nice girls who sit home all the time because they don't have sex appeal. Fellows won't even bother to ask them out and get to know how great they really are.

Thanks for printing that one, Ann. It was tops.—JILL

Dear Jill: I'm glad you wrote. Here's another point of view:

Dear Ann Landers: That letter about the prom committee serving as match-makers was a real roar.

I'd rather sit home until my hair turned white and my teeth fell out than get fixed up by a stupid committee.

Who wants to be chosen out of pity? Not me.—SPIRIT OF ST. LOUIS

Dear Spirit: I'll bet anything you don't do much sittin' home, Toots. It's difficult for a busy girl to imagine what life is like for the ones whose phones never ring.

In the meantime, if it takes a committee to get some of the fellows off their rusty dusties, I say why not?

CONFIDENTIAL TO MY RIGHT TO KNOW: Yeah? Who gave you the right? When I form a "Mind Your Own Business Club" I'm going to nominate you for president.

CONFIDENTIAL TO SCARED TO DEATH: Tell your mother at once. Do not try the drug your friend recommended. It is extremely dangerous and furthermore it won't work.

Today in History

By The Associated Press

Today is Saturday, Aug. 3, the 215th day of 1963. There are 150 days left in the year.

Today's highlight in history:

On this date in 1863, the first race was held at Saratoga, N.Y., —the nation's oldest racetrack and officially known as the "capital of thoroughbred racing." It was in the 1919 Sanford Stakes, at Saratoga, that the great Man O' War suffered his only defeat when beaten by an entry named Upset.

On this date
In 1492, Christopher Columbus sailed on his first voyage to America.

In 1778, Gen. George Washington was first introduced to the Marquise de Lafayette of France who became a member of Washington's military staff during the American Revolution.

In 1882, Congress levied a tax of 50 cents on each immigrant entering the United States—a tax that was known as "head money." In 1923, Calvin Coolidge was sworn in as president of the United States following the death of Warren G. Harding.

In 1945, the Allies announced that Japan had been completely blockaded as World War II drew rapidly to a close.

Ten years ago: Secretary General Dag Hammarskjold asked United Nations members to use the U.N. less for voicing complaints and more for presentation of proposals furthering the common objective.

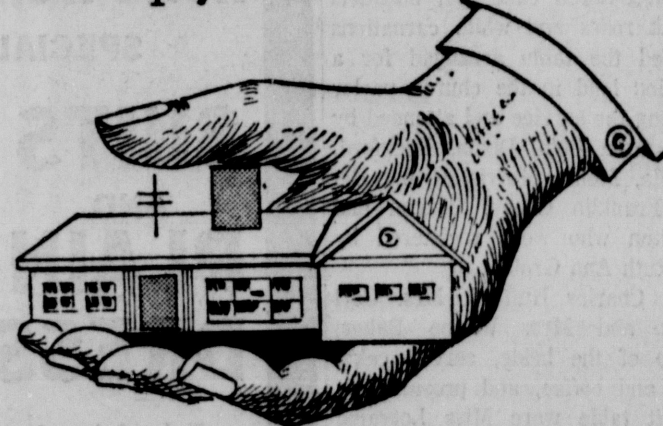

Five years ago: In talks at Peking, Russian Premier Khrushchev and Red China's Mao Tse-tung accused the Western powers of warlike actions.

One year ago: Cuban Prime Minister Fidel Castro acknowledged opposition to his Communist regime in the form of sabotage and shootings.

SPACE PROBE

The United States' space probe, Mariner II, on the 109th day of its flight (Dec. 14, 1962) transmitted information about Venus when it was 21,000 miles from that planet and 36 million miles from earth, according to the Britannica Book of the Year.

College All-Stars Upset Green Bay 20-17

VanderKelen to Richter Pass Ices Game For Collegiates

CHICAGO (AP) — Lightning struck Chicago's Soldier Field Friday night.

Lightning in the form of Otto Graham's 1963 Collegiate All-Stars.

Lightning in the form of a balanced aerial attack.

Lightning in the form of a moving ground swell capable of grinding out the yardage when it was needed.

Lightning in the form of a smart, alert defensive squad.

In short-lightning powerful enough to stun the National Football League's 1962 and 1961 Champion Green Bay Packers, 20-17.

The All-Stars took advantage of the breaks which came their way, and it was from the standpoint of the 65,000 persons viewing the game in Chicago a victory well earned.

For the All-Stars, it was the first victory in the classic since the 1958 rout of the Detroit Lions 35 to 19 before a crowd of 70,000.

The performance of the 1963 All-Stars — the elite of the 1962 college seniors from across these United States — seems to leave a crack in the Green Bay victory wall. Whether this hole can be shored up in the coming weeks only time will tell, but the defeat should be enough to throw the National Football League into a tizzy.

At least the All-Stars, beating the pros for only the ninth time in the 30-year history of the series, have made the Packers seem human after all.

And guiding the college senior

football greats of last season — who now scatter to NFL and American League clubs as pro rookies — was quarterback Ron VanderKelen of Wisconsin, a player none of them wanted.

Vandy wasn't even drafted. But after his sensational showing in the Rose Bowl game — although the Badgers lost to USC despite his record-making passing — he suddenly became popular. Winning the bid for his services were the Minnesota Vikings.

After the Packers had grabbed a 7-0 lead in the opening five minutes by recovering a Larry Ferguson fumble on the All-Stars 11 and sending Jim Taylor across from the 6, Vandy steered his team 57 yards.

The drive—behind the running of Ferguson (Iowa-Detroit Lions), and the pass catching of Paul Flatley (Northwestern-Vikings) and Bob Jencks (Miami Ohio-Chicago Bears)—ended with Jencks booting a 20-yard field goal.

Before the first quarter closed

Tommy Janik (Texas A&I-Denver Broncos) had stolen a Bart Starr pass and returned it to the Packer 27. Vandy hit his Wisconsin teammate, Pat Richter (Washington Redskins) for 21 yards. Then, in the first four seconds of the second period, Ferguson barreled over from the 5, and Jencks added the first of his two extra points to put the All-Stars ahead 10-7.

Green Bay's Tom Moore and Taylor lit a 59-yard push capped by Jerry Kramer's 21-yard field goal that locked the score 10-10. It stood that way at the half after Jencks' field-goal attempt from the Packer 19 failed when deflected by Herb Adderly.

After a scoreless third quarter, as Glynn Griffing (Mississippi-New York Giants) spelled VanderKelen and got off some nifty passes, the All-Stars again took the lead, 13-10, on a 33-yard field goal by Jencks.

Later, when Jerry Kramer's 37-yard field goal was wide for Green Bay, the most sensational play of the game developed. Vandy passed 20 yards to Richter near the sidelines, and the 6-foot-5 All-America end romped 53 more to score. The 73-yard play put the collegians on top 20-10.

With six seconds left, the Packers climaxed a 63-yard aerial drive with Taylor bounding over from the 1.

NOSED OUT—Tommy Davis of the Los Angeles Dodgers has a nose-to-nose talk with Umpire Ed Sudol about a play at the plate in a game with the Pirates in Pittsburgh. The slugger was called out when he tried to score on a passed ball.

Jack Rule Leads Open

ST. PAUL, Minn. (AP) — Jack Rule, who intends no pun, says he isn't playing it by the rule any more, and that's a major reason he's leading by a comfortable margin today in the St. Paul Open Golf Tournament.

The 24-year-old Iowan carded a record-breaking 61 on the par-72 Keller course Friday for a half-way total of 128 and four-stroke bulge over second-place Jerry Pittman of Tulsa, Okla., at 132.

Now in his second year of professional play and seeking his first tournament victory, Rule says he's playing a more aggressive game these days.

"I got to the point where I was trying to play it too safe," he explained. "I was afraid to try anything, and wasn't getting anywhere. So I started to play offensive golf at Tucson, Ariz. this year."

His bankbook, still modest, backs him up. Since the Tucson tourney, Rule has been out of the money in only four of 19 tournaments. He's won \$8,132.54, and only \$158.75 came prior to his new game of attack.

He fired 11 birdies and seven pars in Friday's round, hitting all greens in regulation figures. His 61 broke the St. Paul Open record of 62 shared by three players.

Rule's two-round total of 128 bettered the 129 set by Jerry Barber in 1956.

The first round leader, Jim Ferree of Corona, Calif., lost his putting touch and dropped 10 strokes off his opening 64.

In third place, two strokes back of Pittman, was Don Fairfield of Perdido Bay, Fla., who added a 69 to his opening 65. Fred Hawkins, El Paso, Tex., was fourth with 70-65-135.

The 36-hole cutoff score for the \$35,000 tourney which carries first prize of \$5,300 was 144, even par. Among those squeezing in at the limit was Dow Finsterwald, defending champion Doug Sanders, Joe Cambell and Jay and Lionel Hebert.

Sox Move To Within Seven Games of Top

By the Associated Press

Dick (The Monster) Radatz still is hissing, but suddenly it's beginning to sound like he's sprung a leak.

Punctured for the second straight time, the awesome Boston reliever met his match again in a David and Goliath setting as the Washington Senators popped their slingshots for a 4-3 victory in the second game of a double-header Friday night.

The Red Sox took the opener 5-0 behind Earl Wilson's six-hit effort before Radatz was beaten for the first time since May 12. Oddly both of Radatz' losses on a 12-2 record have been to Washington. He has beaten every other club in the American League.

Making his 46th appearance, the 6-foot-5, 235-pound Radatz continued to hiss in his last ball, but showed signs of weakening under the constant calls. In his last two outings, he has been roughed up for four runs and six hits in 3½ innings.

While Washington was peppering Radatz, Robin Roberts again turned in an effective performance against his former New York teammates, beating the American League-leading Yankees for the third straight time, 5-3.

The Chicago White Sox moved to within seven games of the top by beating the Los Angeles Angels 5-1. Jim Hall drove in five runs in Minnesota's 10-3 walloping of Kansas City and Detroit made the most of Rocky Colavito's talents for a 10-9 edge over Cleveland.

Wilson, 9-11 for the season, backed his own pitching in the opener with a three-run homer that put it out of reached before the Senators' newly acquired reliever, Ed Roebuck, came on to stop the Red Sox.

Trailing 3-0 in the nightcap, the Senators struck for four runs in the seventh. Radatz came on after Jim King's two-run triple and gave up a sacrifice fly to Chuck Hinton that tied the score. He wound up a loser when Larry Osborne singled, moved to second on a walk and scored on Don Zimmer's single.

Steve Ridzik was the winner. Roberts, released by the Yankees without throwing a pitch in competition last season, spaced seven hits to bring his record to 10-9. John Powell tagged Whitey Ford, 16-5, for a first-inning homer, then the Orioles put it away with a three-run fourth.

Rookie Tom McCraw stroked a triple and two singles, stole a base and scored three runs for the White Sox and Juan Pizarro, 13-5, after limiting the Angels to seven hits.

Riessen Seeks To Prove Worth

SOUTH ORANGE, N. J. (AP) — Marty Riessen, newly named to the U. S. Davis Cup team as a doubles specialist, hopes today to prove his value as a singles player in the semifinals of the Eastern Grass Court Tennis Championships.

"I realize a lot of people think of me only as a doubles player," the 21-year-old Riessen said.

"But, except for Chuck McKinley, I think I'm as good as any singles player in the country."

Riessen has an opportunity to add to his singles reputation in his match with his Northwestern University teammate, Clark Graebner of Lakewood, Ohio. In the other semifinal, third-seeded Gene Scott of St. James, N. Y., opposes Dave Reed, Los Angeles.

Next week Riessen, of Hinsdale, Ill., goes to Los Angeles where the U. S. Davis Cup team assembles for its Aug. 16-18 match with Mexico.

Riessen, who will be playing on grass against Graebner, eliminated two left-handers Friday at the Orange Lawn Tennis Club. He defeated Lee Fentress, Baton Rouge, La., 7-5 6-3, after outbattling Fritz Schunk, Orlando, Fla. 9-7, 7-5.

Graebner disposed of Roger Werksman, Los Angeles, 6-2 6-0 after a 6-3, 14-12 duel with Bob Siska, San Francisco.

Scott rallied, 3-6, 6-3, 8-6 to eliminate Arthur Ashe of Richmond, Va., the first Negro ever named to a U. S. Davis Cup team. Reed, a UCLA teammate of Ashe, upset top-seeded Frank Froehling of Coral Gables, Fla. 6-3, 7-4.

Softball Games Set

City League Softball action Sunday night will see Ford Hopkins vs. Lawton's in the first game at 7:15 p.m. at Reynolds Field. The second game will feature Joe's Package Store vs. Zephyr Gas at 9 p.m.

AFL Begins Fourth Year

The exhibition football season, off to a stunning start with the College All-Stars' 20-17 upset of the Green Bay Packers, picks up tempo tonight with the accent on the American Football League.

The AFL, beginning its fourth season, opens its pre-season firing with the defending champion Kansas City Chiefs taking on the Chargers in San Diego's Balboa Stadium and the Houston Oilers against the Broncos at Denver.

Play shifts to Oakland on Sunday when the Boston Patriots meet the Raiders.

The Chiefs won the AFL's third title last year as the Dallas Texans in a playoff game with Houston that was the longest on record. San Diego goes into the game with a pre-season win string of 12, having never lost in three years of exhibition play.

The Texans won the league title last year with a history making 20-17 sudden death overtime triumph over the Oilers, when Tommy Brooker kicked a 23-yard field goal in the second extra period. The game lasted 77 minutes and 54 seconds.

The New York Jets and Buffalo Bills will play their first games next week, when the 14-team National Football League starts pre-season play.

Regular AFL play starts Friday, Sept. 6, while the regular NFL season opens Saturday, Sept. 14.

Major Loop Stars

PITCHING—Jim Mahoney, Reds, posted victory No. 17—tied for high in the majors—with four-hitter, striking out 11 en route to 3-0 shut out of Pittsburgh.

BATTING—Jim Hall, Twins, drove in five runs with three-run homer, run-scoring single and sacrifice fly in 10-3 walloping of Kansas City.

Cubs Win 12-11 In Ten Innings

CHICAGO (AP) — The Chicago Cubs liked the script they used in the second game of a doubleheader against St. Louis so well last Sunday that they decided to keep it.

It came in handy because they did about the same thing to San Francisco Friday, winning 12-11, as they did to the Cardinals nearly a week ago.

Against St. Louis the Cubs bounced off an 11-6 deficit in the seventh inning and went on to club the Cardinals 16-11 for a doubleheader sweep.

Against the Giants, the Cubs were down 11-5 when they erupted for six runs in the eighth to tie the game, going on to win it on Jim Schaffer's run-scoring single with two out in the 10th.

Schaffer singled home the first run in the big eighth. Leo Burke then hit a pinch three-run homer and Ellis Burton followed with a two-run homer to pull the game into a tie.

The Cubs now have defeated San Francisco six times in seven games played in Chicago and will send Bob Buhl (9-8) against the Giants today.

San Francisco will counter with Jack Sanford (10-11). Sanford started against the Cubs Friday and was knocked out in the first inning before retiring a man as the Cubs took a 3-0 lead on Billy Williams' three-run homer.

Dick Farrell is a big, strong, right-handed pitcher who makes a living beating the Los Angeles Dodgers.

Oh, sure, he does other things, even beating other clubs from time to time, to earn his paycheck from the Houston Colts. But beating the Dodgers is the big item and the one in which he takes the most pleasure.

He did it again Friday night, put-

ting together a solid six-hitter in a 4-1 Houston triumph over the faltering National League leaders. The loss, the Dodgers' sixth in eight games, lopped a full game off their lead and reduced it to 3½ lengths over the St. Louis Cardinals.

It was Farrell's third victory of the season over his onetime teammates, about whom he had some harsh words when they dealt him away in the expansion draft.

The Cards closed up on a 3-2 decision over Philadelphia. They pulled out of a tie for second place when the Cubs surprised San Francisco 12-11 in 10 innings. Cincinnati blanked Pittsburgh 3-0 while the New York Mets and Milwaukee Braves split a pair. The Braves won the opener 8-0 and the Mets salvaged the nightcap 3-1 in 11 innings.

Farrell is 13-6 against the Dodgers for a career and 3-1 this season.

He struck out three Friday night, walked two and had a four-hitter going into the ninth when the Dodgers collected a couple of harmless singles. A two-run second-inning homer by Jim Wynn gave him all the working room he needed in beating Don Drysdale.

A spectacular, eighth-inning defensive play by Curt Flood saved the game for the Cards. The Phillies had one run home and John Callison, representing the tying run, on second base when Tony Gonzales doubled off the right-center field wall. Flood made a quick recovery, hit cut-off man Julian Javier, who threw out the sliding Callison at the plate.

Ray Sadecki spaced six hits over the eight innings he worked to win it.

Greatest Offensive Line In My Time, Says All-Star Head

CHICAGO (AP) — "Wowee," shouted hard-running fullback Ben Wilson, the first College All-Star player to get to the dressing room after a 20-17 victory over the Green Bay Packers Friday night, and that set off the general reaction among the youngsters who had their first taste of professional football.

"Great, wonderful, how about that, unbelievable." Those were the remarks shouted in the hot steamy shower room.

Pat Richter, the All-America who took a pass from Wisconsin teammate Ron VanderKelen for a 73-yard touchdown play in the final quarter, admitted the All-Stars were only trying for a first down.

"Never mind," hollered head Coach Otto Graham, "we'll take it. Sure, we were going for the first down but anytime you try a play in football you're also trying to go all the way."

Graham moved through the dressing room slapping the players on the back and congratulating them.

"You know," said Graham, "a couple of days ago line coach Dick Stanfel said Ed Budde (Michigan State) was our best offensive line-man. During the game he told me

they were all great and I have to agree with him.

"It's the best offensive line we have had since I've been coaching here," said Graham whose teams had suffered four straight losses at

Americans Seek English Meet Title

LONDON (AP) — If the American track team can shake off its airplane legs in time, it can wind up its European tour with a flourish here against a lightly regarded British squad today and Monday.

Even the American girls, much maligned after a dismal failure in Moscow, have a chance to make their battle with the English girls close.

The Americans, who flew in late Friday from Hannover, Germany, where they demolished a good West German team 141-82 last Wednesday and Thursday, are fit enough to run, but may be too track-weary to threaten any world marks.

The teams will rest Sunday—a day off for sports in Britain—and resume on Monday. Competition is at White City.

GONE HOLLYWOOD—Making this picture interesting is that baseball people never dreamed Walter Alston, the strong silent manager of the Los Angeles Dodgers, would pose for it. The mermaid is Bonita Colsen of Weekly Wachee Springs, 50 miles north of St. Petersburg, Fla.

NOT RECOMMENDED—This aquatic rough riding is not recommended for Sunday drivers. The nonchalant man behind the wheel is a professional boat driver testing a small craft in the Gulf of Mexico off Sarasota, Fla., to see how much punishment it can take.

WHAT AND WHERE? A news quiz game for readers

In each of the numbered spots marked on this map a newsworthy event occurred recently. As a newspaper reader, check your memory and your knowledge by identifying the event through the location. The accompanying box will help you do it.

- MATCH 'EM UP**
- | | |
|---|--|
| ☐ Echo in space | ☐ Middle East dogfight |
| ☐ Red terror | ☐ A star is scratched |
| ☐ Earth's death heaves | ☐ Disaster at sea |
| ☐ Dastardly ambushes | ☐ "Victory for mankind" |
| ☐ Out of stamps | ☐ \$11,000 more in pocket |

What occurred where? Look at the map and match up the numbers with the events listed in the box at the left. Then turn to the answers on this page and see how well you did. Score yourself 10 points for each correct answer. A score of 20 or less indicates you'd better start reading the papers a bit more. A score of 50—you're fairly hep. A score of 75—you're pretty sharp. A score of 90 or more—congratulations to a real news hawk!

Amboy School District Issues Policy Statement

AMBOY—This is one of a series of statements prepared by the administration of Amboy Community Unit School District 272 concerning various activities of the school and is concerned with the high school athletic program and the physical education department.

Athletics

It is the purpose of Amboy High School to provide the best all-around athletic program the facilities will permit, to allow as many boys as possible to satisfy their individual needs and desires, develop strong character, team and school loyalty, as well as good sportsmanship.

A group of policy statements for athletes to follow have been established as follows:

- 1—The exclusion of smoking and drinking, and the use of drugs.
- 2—The adherence to a policy of dress that makes an athlete a worthy representative of his school;
- 3—Good sportsmanship toward an opponent and courtesy to officials and spectators;
- 4—Acceptable conduct at games, school, and also out of school. Any infractions of civil law are also considered infractions of athletic policies.

The responsibility for the above is with the athletes and the coaching staff. Any infractions are handled by the athletic committee, composed of the principal, a faculty representative and an off-season coach. The committee studies all sides of a problem and decides what disciplinary action is to be taken.

The school has a responsibility to the athletes and the parents. That responsibility includes furnishing facilities and equipment for the safe conduct of an athletic event and insurance to cover an athlete in case of injury.

Amboy High School is a member in good standing of the Illinois High School Association, which regulates all phases of high school athletics in Illinois for member schools, including

the number of contests played, the eligibility of athletes, and the regulation of contests by registered officials. The school is also a member of the Illinois Conference, which includes Newman, Morrison, Savanna, Fulton, Riverdale, St. Mary's and DeWitt, Iowa. The activities of the conference are football, basketball and track.

The expense to the school district during the 1962-63 year was \$1,500. This figure represents the cost of the program after the deduction of gate receipts. The largest single item in the athletic budget is transportation for the teams, since Amboy is in the extreme eastern section of the conference.

Athletics are not frills, but on the contrary are educational experiences impossible to duplicate in any other way. The spirit generated, along with learning to work with others toward a common goal, gives a boy a chance to show his manhood while experiencing a win or defeat.

The school requests support of the students and parents toward making all phases of the school program dynamic and rewarding for the good of everyone in the district. There is some activity for everyone, as a participant or a spectator.

Physical Education

The goals of the physical education department are:

- 1—Organized exercise to develop boys and girls physically and to keep them in physically sound condition;
- 2—Participation in as many sports activities as the time allows;
- 3—Academic learning concerning health and safety.

This will include learning the rules and regulations as well as the technique involved with various sports and activities. All are not performers. We do not know this, however, until we experience various activities. There are very few boys and girls who are not above average in some sport.

More and more leisure time is coming our way due to automation and labor saving devices. Wise use of leisure time is imperative for everyone. The reason for performance in high school is to aid in the wiser choice and use of time in the future.

All students are required to take physical education unless excused by a physician. Athletes as well as non-athletes must meet this requirement.

Named to Club

SUBLETTE—V. O. Bonnell, farm equipment dealer here, was elected a charter member of his company's "100-A-Month" club at the midwest dealer business management conference Tuesday and Wednesday in Danville.

Bonnell was presented a framed certificate in recognition of his average of at least 100 outside sales calls per month.
